JENNIFER SPEAKS UP

Jennifer Aniston is lending her voice to a worthy cause. The new children's book *Loukoumi's Good Deeds* includes a CD featuring Aniston and her soap star dad, John, who narrate three children's stories with modern-day morals. "It was really special to work on this project not only because of how inspirational it is for kids but because it was an opportunity to work with my dad," Aniston says.

"I also loved that it was supporting a personal cause of mine, St. Jude Children's Research Hospital." Two dollars from the sale of each book will be donated to cutting-edge pediatric cancer research at that hospital, in Memphis.
