We're blown away by Oscar-winner Morgan Freeman's voice acting in the audio download of Nick Katsoris' *Loukoumi and the Schoolyard Bully* (\$15.95; *Dream Day Press*). Freeman plays Igor, a baseball-hat-wearing alligator, who is the bully. Loukoumi is the little lamb Igor teases about his name. Each book purchase is accompanied by the download, which also features fellow Oscar winner Olympia Dukakis and singer Gloria Gaynor, who stars as Fistiki the cat.
